AFFIRMATIONS ON SELF DISCIPLINE

Will Power

Recognising that power of Will holds supreme court over all other departments of my mind, I will exercise it daily when I need the urge to action for any purpose; and I will form habits designed to bring the power of my Will into action at least once daily.

Emotions

Realising that my emotions are both negative and positive, I will form daily habits which encourage the development of positive emotions and which aid me in converting the negative emotions into some form of useful action.

Reason

Recognising that both my negative and positive emotions may be dangerous if they are not controlled and guided to desirable ends, I will submit all my desires, aims and purpose to my faculty of reason and I will be guided by it in giving expression to these.

Imagination

Recognising the need for sound plans and ideas for the attainment of my desires, I will develop my imagination by calling upon it daily for help in the formation of my plans.

Conscience

Recognising that my emotions often err in their over-enthusiasm and that my faculty of reason is often without the warmth of feeling necessary to enable me to combine justice with mercy in my judgement, I will encourage my conscience to guide me as to what is right and what is wrong; and I will never set aside the verdicts it renders no matter what may be the cost of carrying them out.

Memory

Recognising the value of an alert memory, I will encourage mine to become alert by taking care to impress it clearly with all thoughts I wish to recall, and by associating those thoughts with related subjects which I may call to mind frequently.

Subconscious Mind

Recognising the influence of my subconscious mind over my power of Will, I will take care to submit to it a clear and definite picture of my major purpose in life and all minor purposes leading to my major purpose; and I shall keep this picture constantly before my subconscious mind by repeating it daily.

APHORISMS & SAYINGS

Love is a force greater than any other.

Love is Divine Law. It will triumph when reason fails.

Infinite Spirit opens the way for great abundance, for He/She is an irresistible magnet for all that belongs to Him/Her by divine right.

Nothing stands between Man and his highest ideals and every desire of his heart BUT DOUBT AND FEAR. When Man can WISH WITHOUT WORRYING, every desire will be INSTANTLY fulfilled.

Death and life are in the power of the tongue (Prov. XVIII:21).

Prayer is not just asking. It is thanking and listening for God's orders.

Pray to Thy Father, which is in secret; and Thy father which seeth in secret shall reward thee openly. (Matt. 6:6).

How far that little candle throws his beams! So shines a good deed in a wicked world. (Shakespeare).

He is like a candle. He gives light to others and consumeth himself. (Proverb).

Man loves company, even if it is only that of a small burning candle.

Burning a candle at both ends is a foolishness. (Proverb).

What lies behind us and what lies before us are tiny and trivial matters compared to

what lies within us. (In letter from the Master to Rose 9.6.93).

Of course most scriptures have metaphysical interpretations.

A sincere smile is always welcome.

Success is not a secret. It is a system. The system is loving absorption and undivided attention. "You attract the things you give a great deal of thought to".

God makes a way where there is no way.

Envy and resentment short-circuit your good.

No man gives to himself but himself; and no man takes away from himself but himself. "As you change, all conditions will change".

Two Stories

Long ago a man was walking down a country path on a dark night. He could hardly see. Gradually a light moved towards him. It was a glowing candle held by a small boy.

"Where did that light come from?" he asked the boy.

Instantly the boy blew out the candle.

"If you tell me where the light has gone" said the boy, "I will tell you where it came from".

Once upon a time there were ten virgins. Five of them were foolish and five of them were wise. They were sent by their families into the desert to await a handsome prince who was to choose one of them as his bride. He would marry her the very next day. The maidens all took little oil lamps in case the wait was long. It grew dark. The bridegroom was late and they fell asleep.

At midnight, a distant cry was heard: "The bridegroom is coming!" The girls awoke and trimmed their lamps but the five foolish virgins had forgotten to bring oil.

"Our lamps will not light!" they cried in alarm to the five wise ones. "Please let us have some of your oil.

"No!" said the five wise virgins. "There is not enough for us all. You had better go back to the village and fetch some oil for yourselves."

Now the five foolish virgins did not stop to think that the light from the five lamps would be light enough for them all, so they stumbled off to the village in darkness.

When the bridegroom arrived, he took the five remaining girls to his wedding feast so that he could choose one as his bride. They entered the room where the wedding feast was to be held and locked the door behind them.

When the foolish virgins finally arrived, they banged on the door of the hall.

"Open up for us" they cried.

But the bridegroom answered "I declare I do not know you" and he refused to let them in.

The Kingdom of Heaven is like this. So keep awake for you never know the hour or the day it will arrive.

EXPERIENCES ON THE PATH

Outcome

I can speak so confidently about the outcome of all our human problems because I know and am aware that all life, human life in particular, is governed by a Divine Law and that Law is perfect in its working. The purpose of that Law is to bring all men and women, all the human family, into a consciousness of God. We do not look backwards unless it is to say "How beautiful is the path that I have travelled". Do not regret the past! We are moving forward, travelling Life's Path to find happiness once again, this time a lasting happiness that is impossible to describe because the experience of it is incredible.

Divine Wisdom

On looking back, it is easy when we know how things have worked out, for us to say "How could I doubt?" But it is the now while the working out is in progress that we have to give our confidence to the Divine Wisdom guiding our life. When we have experienced, when we have tasted the fruits spread out on the heavenly plate, we will see that nothing could have been altered. Truly I say to you, if you had your Will, you would create great confusion and suffering as is evident around us, but our Heavenly Father in his infinite mercy and compassion truly protects us.

Seek First The Kingdom

Why have fear and anxiety? Surrender your life and affairs into the hands of the Creator! How? First seek the Kingdom of Heaven! Seek that connection and be strengthened in your heart. For what lies ahead or before you? If you trust God, His Love will flow through your whole being and through all the affairs of your life. And you will know peace of heart.

Happiness

Happiness is the realisation of God in the heart. Happiness is the result of praise and thanksgiving; of faith, of acceptance; a quiet tranquil realisation of the love of God. This brings to the soul perfect and indescribable happiness. GOD IS HAPPINESS; Everlasting, constant happiness.

Happy are they who hunger and thirst after the Truth; for they shall be filled with The Light.

The secret of happiness is God, Your Creator. The secret of seeing and knowing God is a pure heart.

The Present. The Now

Whilst you live now, strive to attain that self-realisation, that inner flow of love, that beautiful knowing of contentment. For, once you are dead, the opportunity may be lost to you for ever. who knows what may or may not happen? The moment is NOW. You are in existence NOW. Make every effort NOW.

Change

Your body is the vehicle or the city. This city which you are not able to enter contains great treasures. You have built a wall around it and you have to bring that wall down. The wall is in the form of resentment of someone or a situation which really shuts off your good. You can neutralise this effect by realising that "What God has done for others he now does for me".

It is the word "realisation" which brings about a change in your affairs because words and thoughts are a form of energy.

Success

For each person there is success but it seems to be just out of reach or hidden behind a door.

Taking an interest in your work, really enjoying what you are doing, opens the secret door to success. To make what you are doing interesting to other people, be interested yourself and others will find you interesting.

Naked You Came

Naked and empty handed you came into this world and naked and empty handed you

shall leave. Then why this hoarding of coins, the building of empires, the searching for name and fame and reputation, and the pursuit of gossip, scandal and ego?

He who feeds and clothes the birds of the air in the snow on the hills, will He not take care of you? He loves you whoever you are and whatever you think of Him.

Find somebody who can guide you to the Kingdom of Heaven. It is within you now. And experience His Divine Presence and enjoy Bliss and Contentment.

Destiny & Effort

Whatever Destiny has planned for you will come to pass without any planning on your part. Your destiny will cause you to act and make effort according to its plan.

Destiny and effort go hand in hand. One is as much a part of the other as the sun and its rays.

Fear & Misery

Fear of a coming misery makes us more miserable than the actual misery, which perhaps may come and may not. In fact, we cause more pain to ourselves by brooding over our imaginary troubles, instead of gathering our positive energy and facing the troubles bravely when they come. A greater part of our misery will immediately leave us if we turn to our Creator for guidance, courage and help.
